Adopt Me!

Freckles, a 2-month-old Chihuahua / Pekingese puppy, will melt your heart with her floppy ears and puppy kisses. This little girl spends most of her time sleeping and playing with toys, but she's ready to start exploring the world with a new best friend by her side. If you have a dog who'd like a little sister or if you're looking for your own constant companion, come meet Freckles at Humane Society Silicon Valley in Milpitas!

Raising a puppy takes dedication, patience and commitment. If you are up for the challenge, Freckles will reward you with a lifetime of unconditional love.
