ID# 78210 & 78211

## Adopt Us!

For Valentine's Day, Mickey and Lucky already have each other. Now they just need you! These two **Boston Terrier mixes** will greet you with **kisses and tail wags** at Humane Society Silicon Valley, in Milpitas. When they aren't running around playing with each other, they **love to cuddle** with their humans. If you are looking to **double your fun**, come meet Mickey & Lucky at HSSV today!
