Adopt Me!

Oreo, a 4-year-old Border Collie mix, loves to have fun and is extremely smart. Oreo's idea of fun is a hike through the mountains, a jog through Balboa, or an hour or two of playing fetch at the dog beach. He also loves to learn new tricks and would excel in advanced training classes.

Oreo is very human-focused; he loves attention, petting and quality bonding time. Adopt Oreo now and you can name your own adoption price! Just mention the PawFurred Pricing program.
