Adopt Me!

Otis is a 2-year-old kitty. He likes to stay busy and is always ready for an adventure. Otis will follow you around the house and keep you company while you read the paper or type on the computer. He loves other cats and has a rough and tumble play style. Toys are a must to keep this guy's mind and body moving. If you are looking for an affectionate and active kitty to share your life with, come meet Otis at Humane Society Silicon Valley in Milpitas.
